From (Name) R.G.Grieve Esq . M.A.,
(Designation) Ag.Director of Public Instruction
Madras.

To The Secretary to the Government of Madras,
Law(Education) Department.

Sir,

With reference to G.O.No.184 Law(Education)dated 7- 2- 25 sanctioning the payment during 1924- 25 of a subsidy of Rs.399 towards the charges of the manual training class in Sericulture in the Board High School Kollegal, I have the honour to submit herewith the letter of the President,District Board,Coimbatore R.O.C.No.749 D.B/23 dated 11-5- 25 and to state as follows.

2. It is reported that about 290 pupils of classes IV and V and Forms I to III are receiving instruction in sericulture for 2 periods of instruction per week.

3. The actual expenses of the class during 1924- 25 is reported to be Rs.628 582 so that out of the subsidy of Rs.703 which the Board had to its credit

credit in 1924- 25 a subsidy of Rs.341(being one half of Rs.682, the recurring charges actually incurred) was spent during the year 1924- 25 leaving an unspent balance of Rs.362 to the credit of the Board on 31-3-25.

Balance Rs.304 plus 399 subsidy for 1924-25. or Rs.703.

4. According to the estimates furnished by the Adviser to Government(copy enclosed) the recurring expenditure of the sericulture class amounts to Rs.890/- and that of the proposed reeling class to Rs.350/- In the case of the reeling class the cost for 7 months has been put down on the assumption that the class will be started from 1- 9- 25.

5. As, however, the new class will have to commence work only after receipt of government sanction to the proposal, I consider that it may perhaps suffice to include the cost for 5 months from 1-11- 25.

In this event the total recurring and non-recurring charges of the old as well as the new classes will be Rs.1360/-

Rs.890 + Rs.470 or Rs.1360

The Board will be eligible for a subsidy of ½ the cost or Rs.680.

7. As however it has already an unspent balance of Rs.362 to its credit the net amount payable to it for both the classes during the current year will be Rs.318 which is recommended for sanction, the expenditure being met from the provision of Rs.15,800 under grants-in-aid Education- voted- recurring-manual training under 31 B(C)Education-Secondary grants to local bodies for Secondary Education.

that the District Educational Officer, Coimbatore and the Vocational Advisor to Government who paid a visit to the Sericultural class in January last have remarked that very interesting work is being done there on approved lines. As there is ample scope to develop the industry when reeling is introduced, the District Board has in its Resolution No.59 dated 30th April 1925 (copy enclosed) sanctioned the continuance of the class for another year deferring the question of making it permanent for future consideration. I therefore request that you will be so good as to obtain the sanction of Government for the same.

2. The probable amount required for the purpose will be intimated to you early.

Copy of letter No.98 dated 24th February 1925, from the Headmaster, Board High school, Kollegal, to the - President, District Board, Coimbatore, through the District Educational Officer, Coimbatore.

With reference to R.O.C.No. dated the 10th February 1925 directing me to submit proposals to continue the Sericultural class and make it permanent or to do away with it, I beg to submit:-

1. The District Educational Officer and also the Advisor to Government on vocational and Manual Training - paid a visit to the Sericultural class in January last and the opinion of the District Educational Officer is recorded in the Inspection report for 1924-25.

2. Up to date, the sale proceeds of cocoons etc, amount to Rs.172-6-8 and the expenditure (including Rs.150 the sum for which a mulberry garden is leased) is Rs.178-2-0; it may be said that instruction in sericulture is given - without any additional cost to the management except the salary paid to the instructor and the peon.

3. There is ample scope to develop the movement when reeling is introduced.

4. So I request that the section may be made permanent and the instructor's salary may be raised to Rs.50-2-60 per mensem.

5. I am one of those advocating vocational instruction in Secondary schools and as such I would like to have one more section to turn out master carpenters from my - school.

There are two proposals in this file, viz:—

paras 2-4 of letter on pp 1-2 C.F.

1. Continuance of the Secretarial Class.

paras 4-5 of letter ib. ib.

2. Opening of a new scaling class. Secretarial class.

The unspent balance of Provincial grant

Grant on 31.3.25 is stated to be Rs. 362/- This assumes that the expenditure during 1924-25 was Rs. 682 (Page 7 C.F.). But it will be seen from para 2 of the Headmaster's letter on p. 8 C.F. that the sale proceeds of Cocoons amounted to Rs. 172/- upto 24.2.25 and that instruction in Sericulture is given without any additional Cost to the Management except the Salary paid to the Instructor & the peon. The expenditure during 1924-25 should therefore be taken only at Rs. 504 (Salary of Instructor = Rs. 360 - peon = Rs. 144). The actual unspent balance will thus be Rs. 451/- The recurring subsidy due for the Current year is Rs. 445/- ie, half of the estimated expenditure of Rs. 890/- As the Board has already got an unspent balance of Rs. 451/- on hand no Subsidy need be paid to it during the Current year. ~~The overdrawings of Rs. 5 may be adjusted against the subsidy due for 1925-26~~

2. Reeling Class - This is

a new Scheme not contemplated in the Current years budget and involves an expenditure of Rs. 220/- non-recurring and Rs. 600/- per annum recurring. Submitted that Law (Edn) may be requested to treat this as a new Scheme for next year and to include it in the Consolidated list of new Manual training Schemes to be placed before the Finance Committee.

The Finance Department considers that the sale proceeds of cocoons amounting to Rs. 172 should be take into account in calculating the grants payable for the current year. This sum may be required for the purchas of materials necessary for the class. Board High School, Kollegal--Subsidy for the manual training class for 1925-26--D.P.I.'s. letter R.C. No. 588E/25, dated 9--10--25.

The D.P.I. recommends a subsidy of Rs. 318 toward the charges of the sericultural class and the proposed reeling class in the Board High School, Kollegal, for the year 1925-26. It is seen from the head-master's letter No. 98, dated 24-2-25, that a sum of Rs. 172-6-8 was realised from the sale proceeds of cocoons upto that date. It would appear that this amount should be taken into account in calculating the grant payable for the current year. The D.P.I. may be requested U.O. to state whether the amount may be deducted for the purpose of assessing the grant.

Please see para 2 of Finance note on pp 3-4 ante and the draft order put up by the Law (Edn) Deptt. In the draft order a Sum of Rs. 172/- has been deducted as being the Sale proceeds of Cocoons. This amount represents the Sale proceeds of Cocoons up to 24.2.25 Vide para 2. on p. 8 C.F. The Law (Edn) Deptt may first be requested to ascertain the actual amount of the Sale proceeds of Cocoons to the end of March, 1925. It will have to be taken in deduction of the total expenditure for 1924-25. The Govt Grant for that year should represent only half of the net expenditure.

Similarly in estimating the net cost of Continuing the Class in the current year, the probable Sale proceeds of Cocoons Should be deducted from the total expenditure.
